Dear Parent /Guardian

As part of a comprehensive approach to teaching and learning at Cranebrook High School we offer students the opportunity to take part in an **after-school Homework Club** for juniors in the library and for seniors in the Learning Centre. Along with individual homework help and literacy/numeracy exercises, this time allows for **Quiet Reading** (to encourage Accelerated Reading progress) and **Chess** (to learn/ practise for contest participation).

This program is run voluntarily by staff to give students the opportunity to access library/computer resources, teacher assistance with homework/ assignments, and also develop other skills to advance their education.

The Homework Club meets each **Tuesday** from 2.45 -3.45pm. Students come directly from class after the final bell and participate in either a structured group or in personal homework/reading/chess activities.

As this is a voluntary program, it is necessary for students to demonstrate commitment to their own learning and behave in a considerate and appropriate manner. It is best for students to attend regularly to keep up with homework, reading and assignments, or catch up on work missed in class when absent. They can make an appointment with a class teacher to meet up then to help them if required.

As a parent / guardian, you will need to make arrangements for your child to be picked up at 3.45pm as there will be no access to school buses at this later time.

Homework Club will commence on Tuesday,16th February. If you would like your child to attend, please complete the permission form at the bottom of this page and return it to the Library. We look forward to helping and supporting your son/daughter this school year.

Yours faithfully
